VOLUNTEERING

The Little Giant Figure Skating Club is run by parent volunteers and your cooperation is appreciated. In order to keep our registration fees to a minimum we require many hands for volunteering. Below we have given you 2 options to choose from for the volunteering that is required. (Please note Option 1 is what we normally offer) Everyone **MUST** complete half of their blocks by Christmas break and the other half by the end of the season (March). If half of your blocks are not completed by Christmas, the blocks must be paid out before the skater is allowed back on the ice.

NO MATTER WHICH OPTION YOU CHOOSE IT IS MANDATORY THAT YOU MUST SELL ONE BOOKLET OF TICKETS FOR THE STOCKING RAFFLE AND ONE BOOKLET OF TICKETS FOR THE CASH RAFFLE. YOU MUST ALSO FILL ONE JOB POSITION AT OUR YEAR-END CARNIVAL THAT DOES NOT FILL ANY VOLUNTEER BLOCKS. **INITIAL** _____

Please check the option you choose:

☐ **Option 1 – Volunteer Blocks**

You agree to fill as many volunteer blocks as is required for the skate level that your child is enrolled in.

I UNDERSTAND THAT IF I CHOOSE THIS OPTION I AM RESPONSIBLE FOR ALL VOLUNTEER BLOCKS THAT ARE REQUIRED FOR THE SKATE LEVEL ENROLL IN. IF THE BLOCKS ARE NOT FILLED, I AGREE TO PAY \$50 PER BLOCK FOR EACH BLOCK OWING.

☐ **Option 2 – Pay Out Volunteer Blocks**

This means you will pay the registration rate as well as pay \$50 for each block that is required to fill your skate level that your child is enrolled in. The volunteer fee must be paid in full before the skater enters the ice and in a separate payment than your registration. With choosing option 2 we will not ask for any of your volunteer time during the season, but **however you must fill one job position at our year end Carnival as this is mandatory** so everyone has a chance to enjoy the show.

If you have chosen Option 2 we request that you pay the block fee separately and at time of registration.

***Families with 2 or more skaters registering are discounted 10% before Skate Canada BC Section Fees

***Discounts will not exceed 20%

***Volunteer blocks will be based on the family status of the skater at the time of registration

I have read, acknowledge and consent to the following:

- **the LGFSC shall not be responsible for any accident and damage/loss of any personal properties of any member**
- **all skaters/parents must abide by the LGFSC policies, rules and regulations of the club as outlined in the LGFSC Parent/Skater Handbook**
- **I understand that if I choose option 1, I am responsible for all volunteer blocks that are required for the skate level enroll in. If the blocks are not filled, I agree to pay \$50 per block for each block owing.**
